ROAD COMMISSION MINUTES
City of Baneberry, Tennessee

Meeting Location: Baneberry City Hall, 521 Harrison Ferry Rd., Baneberry, TN 37890

Call to Order: The regular Road Commission meeting was called to order by Chairman Doug Krempels on 5 April 2018 at 6:00 p.m. Members present: Mike Broughton, Pat Donahue and Mayor Clint Hurley.

Minutes: Minutes of the 1 March 2018 meeting were provided to the members prior to this meeting. Public copies were available. Mayor Hurley moved that the minutes be approved; Pat Donahue seconded; motion carried.

Officers Report: E. Atherton Dam Repair bidder's meeting: 1 bidder attended and after looking at the dam and the RFP, mentioned that the RFP was somewhat convoluted in that the testing portion and the actual work necessary (if any) should be separated as two different bids to be more economically viable. Chairman Krempels concurred with that request and Dave Hobson is in the process of separating the tasks in a new bid request (RFP). Permitting for the work was also discussed for inclusion in the work bid. New bid Letters should be ready for mailing within one week.

Old Business:

- 1). Iron Gate is again deteriorated and needs maintenance (blading / graveling). Continuous maintenance is not cost effective. Consideration is being given to a more permanent type repair with cost estimates and longevity as well as an access/egress gate at Nina Rd (necessary or unnecessary). Paving cost was also discussed. In the interim we will blade, partially crown and re-disperse the off-road gravel with some new gravel added as well to the trouble spots. Note: Prior to any serious permanent type repairs, a proper survey and work bid(s) will be promulgated.
- 2). Stoneway Court survey is complete and flags are installed denoting the Right of Way and property boundaries. After much discussion we will walk the roadway with the surveyor and property owners tomorrow; 6 April at 2:00 p.m.

In the interim, the commission will affect pothole repairs to Stoneway Court.

New Business: Upcoming list of workable road projects is being formulated including “Yellow re-striping” of our main roads.

Motions: None

Announcements: None

Adjourn: 6:47 by accepted motion.

Doug Krempels, Chairman

Michael Broughton, Secretary
