

ROAD COMMISSION MINUTES

City of Baneberry, Tennessee

- Meeting Location:** Baneberry City Hall, 521 Harrison Ferry Rd., Baneberry, TN 37890
- Call to Order:** The regular Road Commission meeting was called to order by Chairman Doug Krempels on 3 August, 2017 at 6:00 p.m. Members present: Mike Broughton, Pat Donahue and Mayor Clint Hurley.
- Officers Report:** Stoneway Court Property Lines and Road access: 6 of the 9 property owners have been contacted by Mr. Krempels and five agree with our basic survey; one disagrees. An informal meeting with all of the property owners will be scheduled with the town attorney present and then a formal meeting time will be coordinated for the project execution. Again, this survey project does not include a paving plan which will be a separate project, if considered.
- Old Business:** Road Commission work list: Road sweeper and road sprayer for overgrowth. Intersection obstructions, Rustic Court paving, Bonnevista cul-de-sac drainage and E. Atherton dam. Various culvert replacements and gravelling of unaccepted town roads are also being discussed as future projects. We still need map repairs addressed by MTAS relating to accepted/unaccepted/minimally accepted roadways.
- New Business:** An informal meeting for Stoneway Court property owners will be held on 15 August with a formal published meeting to be held on 31 Aug. Both meetings will be held at 7:00 p.m. Residents will be notified. Planning and Zoning reports that the Rustic Court survey has been completed.
- Motions:** None.
- Announcements:** None
- Adjourn:** Meeting adjourned by motion at 6:30 p.m.
